### Afternoon Pesticide License Recertification

If you hold a Private Pesticide Applicators License (Categories 90 and 91) and need to be recertified, we will offer training following Fruit School. You must be present for the morning sessions in order to qualify for the afternoon recertification class. Participants staying for the afternoon session will break for lunch on their own.

***Please let us know if you plan to attend Pesticide Recertification in the afternoon.***

12:30 - 1:30 pm Private Pesticide Applicators recertification class

**Register for Fruit School by February 11, 2019**
